Dear Sir:

This is a Request for Continued Examination ("RCE") relating to the above-identified U.S. Patent Application.

On July 28, 2007, Applicant timely responded to the dated April 12, 2007 "Final" Office Action and included an authorization to charge Applicant's USPTO Deposit Account the requisite fee for a 1-month Extension of Time to File a Response, thus, extending the time to timely file this RCE (without incurring the need to purchase a second-month Extension of Time to File) until August 12, 2007, which, falling on a Sunday, permits this RCE to be submitted to the USPTO in a timely manner via United States Postal Service Express Mail in an enveloped date-stamped Monday, August 13, 2007, as it has been.

The arguments presented in the dated July 28, 2007 mailed Response to Office Action ("FINAL") are requested to be incorporated by reference.

Applicant has elected to file this RCE because as of the date below he has not yet received a Response from the Examiner with regard to the July 28, 2007-filed Response to Dated April 12, 2007 Office Action ("Final"), and wishes to preserve the opportunity to continue prosecution of this pending
